

Part-Time Sixth Grade Mathematics Teacher

Job Description

The School:

The Girls' School of Austin is a private, independent K-8 school (150 girls) in the historic Tarrytown district of Austin. The School brings together a diverse student body with a strong emphasis on creativity, community building, collaboration, and problem solving. Classes in Spanish and the visual and performing arts enrich the strong academic program. Significant use is made of the artistic and natural resources in Austin and the surrounding area. The School has an unusually active and committed parent body.

The position:

The part-time math teacher will teach one section of sixth grade mathematics. Math classes at The Girls' School meet every morning at 8 am.

Job responsibilities:

- Work with GSA teachers to develop the middle school mathematics curriculum.
- Teach one section of sixth grade mathematics.
- Collaborate with colleagues to effectively deliver the GSA program.
- Use a variety of techniques to engage all learners.
- Participate actively and positively in faculty meetings.
- Perform other duties as assigned by the head of school.
- Incorporate social-emotional learning into the classroom culture.

Qualifications:

- A bachelor's degree in mathematics or related field is required; a master's degree is preferred.
- Strong communication skills required (verbal, written)
- Experience in private schools preferred
- Other skills a plus (in our small school)
- Direct experience with girls' schools is a plus; an understanding of the benefits of a single-gender education is essential
- Ability to work as a member of a highly collaborative faculty
- Must be flexible
