

The Girls' School of Austin's *Student Volunteer Hours*

The Girls' School of Austin is challenging our community members to each complete 10 hours of community service over the course of the 2018 - 2019 school year.

Eligible service hours could include volunteering for a non-profit, helping out a neighbor, or raising money for a charity. *It does not include in-class service learning projects or household chores (but those are great too).* Visit: thegirlsschool.org/myschool/volunteer-hours-challenge for more resources.

Keep track of your hours below and have a supervisor or parent sign off on each activity. Don't forget to snap photos of yourself volunteering. Email photos to communications@thegirlsschool.org
