

Hello Families,

Haute Lunch (pronounced Hot Lunch!) is a local Austin company, owned and managed by Austin parents who are also food service professionals. Our goal is to provide a balanced menu with healthy food that your kids will love - familiar choices and healthy options.

The menus are created by professional chefs who plan menus for high-end catering events, as well as your children's lunches, so you can feel confident your kids aren't just getting something developed for an industrial, institutional kitchen.

We put time and care into developing the menus, thinking about what we want our own children to eat. Lunches will be served as complete meals including a protein, a starch, vegetable, and fresh fruit. Along with the planned menu we can accommodate any dietary restrictions. We are a no nut kitchen and vegan-protein, gluten-free options are available. Through our pre-order system you can order lunches 48 hours, prior to the day. Due to the fact, that we are delivering the food and not cooking onsite we will need pre-orders so none of the kids go without. By posting monthly menus you will be able to choose ahead of time and look forward to delicious lunches!

We want to get all the kiddos eating more veggies and making better choices! We use local and organic products where possible and, as food service professionals, we ensure that all the food is cooked safely.

The cost for a full meal, including delivery, service and compostable and recyclable vessels will be \$8.00 per meal. We have designed our platform to pre-order lunches daily, weekly, or monthly.

You can access the Parent Portal via our website <http://www.hautelunchatx.com/> . Look for the *Schools* Link in the upper right and choose The Girls School of Austin. The page will contain links to the current menus and a link to the Pre- order Portal, as well as guides that will help if you have questions.

We are excited to serve your kids this year! We look forward to meeting you and your children! Should you have any questions please do not hesitate to contact us at info@hautelunchatx.com
